After the artist is invited to exhibit and sell work at Art on 12, a wall space will be agreed upon. Art on 12 does not require exclusivity, so the artist is free to display work in other galleries and shows.

The artist may select from 3 different arrangements of workdays.

- Two workdays per month - 20% Commission
- One workday per month - 30% Commission
- No workdays - 40% Commission

The artist will pay the gallery for wall space to display their work. The gallery will help to curate and hang the work and advise on pricing and display. Wall space is rented by the linear foot and priced at \$25 per linear foot, by the month.

Jewelry and small sculpture may be displayed in a case, for **\$80** a month.

Pottery and larger sculpture may be displayed on pedestals, tabletops, and floor space. Gallery management will discuss pricing based on the footprint of the work.

Space rental payment is made on a month-to-month basis. Rent is due at the beginning of each month and should be paid no later than the 5<sup>th</sup> day of the month. The artist is expected to give a 30-day notice if they choose to leave the gallery.

The artist should send 4-5 images of their work to [information@arton12.com](mailto:information@arton12.com). Please include an artist's statement along with the images and application. The application will be judged on the quality of work. When a wall space is available, the artist will be notified by the gallery
